The Film

A suicide attempt left 16-year-old varsity cheerleader, Emma Benoit, paralyzed, but propelled her on a mission to use her painful experience to **help others find hope and stay alive.**

MY ASCENSION is a feature length documentary that chronicles Emma's inspiring journey and quest to walk again, as she works to bring Hope Squad, a school-based suicide prevention program, to Louisiana.

The film also highlights the stories of two remarkable young people who tragically did not survive their attempts, and we learn first-hand from their families, friends, school officials and suicide prevention experts about the devastating effects of suicide and **what can be done to prevent it.**

The 90 minute film screening will be followed by an important dialogue lead by attempt survivor, Emma Benoit, related to preventing youth suicides in Schuylkill County.

“A must watch for parents of teens and anyone working with teens.”

Emma's ability to tell her story in such an honest way creates a space for others to speak freely about their own issues with mental health.
